

Act of Philanthropy

In the spirit of compassion and empathy, a remarkable act of philanthropy was recently carried out to support the earthquake victims of Rukum and Jajarkot, Nepal responding the successful fulfillment of appeal of Rotary District Office 3292 Kathmandu. Through our collective efforts, we have raised and donated Rs 132,000 (One Lakh Thirty Two Thousand Only) to aid those affected by the recent earthquakes in the region. This heartwarming endeavor exemplifies the profound impact that acts of kindness can have on individuals battling the impact of natural calamity to their daily livelihood and serious illnesses. The fund should be instrumental in providing immediate relief, including shelter, food, and medical assistance, to the affected families. Our commitment to Rotary's mission of service above self is evident in the timely and impactful response to the urgent needs of the communities in Rukum and Jajarkot.
