

Training on Teaching at Right Level (TaRL) under Global Grant Project #2453679

The Rotary Club of Yala has recently completed the Training on Teaching at the Right Level (TaRL) under the Global Grant Project: TaRL in Nepal.

The training was conducted successfully for three groups of Nepali, English, and Mathematics teachers of grades 3 to 5 of 13 public schools selected for the first phase of the project from Lalitpur district. The first two groups of training for the Nepali and English subjects were carried out simultaneously from 8th to 11th April 2024 at Bagaicha, Lalitpur with the support of TaRL experts from Street Child of Nepal. The third group of training for Mathematics teachers of grades 3 to 5 was held at the same venue and from the same experts from 14th to 17th April 2024. A total of 89 teachers attended the four-day training of which for Nepali and English were 30 each and for Mathematics was 29.

During the training of the TaRL project, the International Partners of Yala, Rotary Club of Aachen Frankenburg, Germany, and the Rotary Club of Hilversum West, Netherlands, were also represented.

The TaRL will be implemented in their respective schools afterward for four months of period to build foundational literacy in Nepali and English as well as numeracy of recognizing digits and basic operations to recover from their learning loss from Covid-19.

Mental Health Camp

On April 27, 2024, in the serene locale of Pimbahal, Patan, the Rotary Club of Yala spearheaded a significant initiative: a Mental Health Camp in partnership with Punarjeevan Hospital and Magnus Pharmaceutical Company. This collaborative effort aimed to tackle prevalent mental health issues and address orthopedic concerns within the community.

Led by a distinguished medical team including Prof. Dr. Sudarshan Narsing Pradhan, Dr. Nalisha Pradhan, Dr. Samip Adhikari, and Dr. Prince Sangraula, the camp offered free mental health screenings and assessments, alongside consultations for orthopedic ailments. Sixty individuals actively engaged in the camp, seeking mental health check-ups and expert orthopedic advice.

This endeavor, which seamlessly blended healthcare provision and community engagement, underscored the Rotary Club's commitment to holistic well-being. By partnering with local healthcare institutions and a pharmaceutical ally, the camp not only addressed immediate health needs but also fostered awareness about mental health, thereby promoting inclusivity and accessibility to healthcare services.

The success of this mental health camp stands as a testament to the power of collaborative initiatives in serving communities and advocating for comprehensive healthcare. Such endeavors are pivotal in dismantling stigmas surrounding mental health and ensuring that healthcare remains a fundamental right for all individuals.

New Member Induction & Farewell To GG International Partners

On April 12, 2024, as Nepali New Year 2081 dawned, the Rotary Club of Yala welcomed its newest member, Minu Pradhan Shrestha, into its fold. This auspicious occasion was graced by the presence of DGND Rtn.
